Group Visits

The home of the country doctor whose work changed the world

Welcome to Berkeley

Situated in the heart of the historic market town of Berkeley, Dr Jenner's House, Museum and Garden is the striking Grade II* listed house where Edward Jenner lived for 38 years until his death in 1823. This is where he pioneered vaccination against smallpox, one of the pivotal events in world history. Less than 200 years later, smallpox had been eradicated, the first and only

human disease to be wiped off the face of the planet. Today you can discover Jenner's work and legacy through artefacts and displays and find out more about his wide and varied interests, which included natural history, fossil hunting, music, poetry and hot air ballooning! Outside, you can explore an acre of peaceful grounds and stumble upon the Temple of Vaccinia, where Jenner vaccinated the people of Berkeley free of charge.

Your visit

Wherever your interests lie, we are sure you will agree that there is something quite remarkable about being in a place 'where history happened'. Highlights of a visit to Dr Jenner's House, Museum and Garden include:

- Jenner's Study, where he wrote up his remarkable findings;
- The Temple of Vaccinia;
- A Physic Garden showcasing the medical practice of Jenner's time;
- Jenner's own grape vine.

We recommend allowing at least 1.5 hours to make the most of your visit. Many groups prefer to explore at their own pace, but if you would like a more

structured visit then why not book a talk or tour from one of our experienced speakers.

We offer a range of benefits for groups:

- Discounted entry rate of £4.25 per person for pre-booked groups of 10 or more;
- Exclusive visits outside of normal opening hours (minimum admission of £75 applies);
- Free familiarisation visit for group organisers;
- Free admission and refreshments for your coach driver;
- Free coach parking at Berkeley Castle by arrangement;
- A range of pre-booked catering options.

Little extras

Your admission fee includes entrance to the museum and garden for the whole day, plus a free 25 minute introductory video which can be watched as a group. However, your group might also be interested in one of our exclusive talks and tours.

Introductory talk

If you prefer a real person to a video, we can provide a 20 minute introduction to your visit for an additional £25 for the group.

Lectures

If your group would like a more in-depth look at Jenner's life and legacy we can offer a number of talks from expert speakers. Talks last for 45 minutes plus questions and prices start at £75 for the group. Please contact us for a full talks list.

Explore the area

New for 2018, we're pleased to offer a walking tour of Edward Jenner's Berkeley for groups. For £12 per person, your group will receive a guided tour of the town lasting approximately one hour followed by tea, coffee and biscuits. This all-inclusive rate includes entry to the museum (minimum 10 people in group, maximum 20).

Or why not make a day of it and combine your trip to Dr Jenner's House, Museum and Garden with a visit to our neighbours Berkeley Castle and St Mary's Church? All are within walking distance of each other. Additional entrance fees apply for Berkeley Castle, please see www.berkeley-castle.com.

Practicalities

Edward Jenner loved entertaining, but he probably would not have imagined receiving upwards of 10 guests at one time. Therefore, for the enjoyment and safety of all of our visitors we ask that groups book in advance. Group rates are only available to pre-booked groups. Please contact us on 01453 810631 or email groups@edwardjenner.co.uk to check that we have availability.

Groups can visit at any time, although a minimum admission fee of £75 applies for visits outside of public opening times.

Once you have confirmed a date, please complete and return the attached group booking form, along with a deposit of £30. The deposit will be retained should you cancel less than one month before your proposed visit.

Group rates

The group rate is £4.25 per person. In order to qualify as a group there must be at least 10 in your party. Groups smaller than 10 will pay the standard entry rates (£6.95 for adults and £5.95 concessions). Please note that the group rate is not valid in conjunction with any other offers. In accordance with their rules, Historic Houses cards cannot be used during a group visit.

Payment

Payment of the remaining balance can be made upon arrival.

Group numbers

We understand that numbers can fluctuate and although we do ask that

you confirm numbers one week before you visit, we will only ever charge you admission for the numbers attending on the day.

For catering, however, we do require that you pay for the full amount of all catering ordered, even if not everyone attends on the day.

Transport

Berkeley is close to the A38 between Bristol and Gloucester and within easy reach of the M5 (Junctions 13 and 14). There is free parking on site for 10 cars and we would appreciate car sharing where possible. Further parking is available in town car parks. Coach parking is available in Berkeley Castle car park by prior arrangement only.

Access

The ground floor, garden and shop are accessible to wheelchair users, however the paths are gravelled and some floors may be uneven. There is an accessible toilet available and an accessible parking space that may be reserved by contacting the museum. We have an Access Statement available which can be downloaded from our website or sent to you before you make your booking.
