Dr Jenner's House, Museum and Garden is usually open from April to September, inclusive, on Sundays to Wednesdays only. On all open days we open from 11am to 5pm, with last admission at 4pm. Some seasonal variations do apply and updates can be found on our website.

The museum is owned and operated by The Jenner Trust, an independent charity (Number 1158316). We are reliant on what we can raise through visitor income and on generous donations and grants. This year, and every year, we need to raise £20,000 to keep the museum open.
